The Team

RKD has a top-notch team of 180+ highly trained and dedicated lawyers, patent attorneys, trade mark attorneys, engineers, scientists, paralegals and administrative staff equipped to deliver promptly & efficiently. The RKD team also includes a number of senior ex-Patent Controllers and Trade Mark Examiners whose experience, knowledge and insight into the workings of the Patent & Trade Mark Offices in India are an added strength.

RKD has built a close-knit, dependable and extensive network of associates in India and in over 125 countries throughout the world. We are therefore able to seamlessly manage national and international IP filing, prosecution, and domestic and trans-border litigation across all tiers of the judiciary.

BUILDING TEAM CULTURE

- The RKD team undergoes extensive in-house training in substantive IP. This ensures consistency of approach and a high standard of work across all offices.
- Our team members are specialized in their areas of practice, and are also exposed to other areas and types of IP related activities across departments. This leads to a better ability to multitask, greater awareness and overall professional development.
- RKD experiences a low level of attrition. The inherent stability created by this leads to a cohesive working environment.

Testimonials

"Thanks for all the handholding and advise. We truly appreciate the advise from your good self and the efforts of all concerned from your office."

"I would like to thank you and your team for your continuous support and appreciate you all for being a part of TCS' IP growth journey."

"Dear Mohan and Niti,
I hope that you and your family are well. Thank you for handling this matter and the subsequent discussions with the Controller, which led to a patent grant. It is greatly appreciated."

"Thanks a lot RKD Team for guiding us through the process. Special thanks to Dr. Dewan who had been instrumental in initiating this process."

"They are outstanding! The speed of their work is phenomenal. They are very practical and straightforward. It's a fantastic firm, and I am very demanding in my expectations."

"I am 100% satisfied, which is very rare. They bring both, professional relationship and a personal one. They have a different touch that makes them a shade better than the rest. They function on time and I never have to remind them."

The "impeccable" Mohan Dewan is Head of IP litigation and principal of the firm. He handles patent and trade mark cases in both civil and criminal courts. Sources extol the depth of his expertise. According to one, "Mohan does seem to know everything, even about very niche technologies, which we find very impressive."

"Thanks once again for the kind, painstaking and swift efforts of Dr. Dewan and his dedicated team for truly making my dream come true!"

"They keep us up-to-date and always deliver prior to the deadlines. Distance and time difference is not an issue with them."

"Smeeta was very efficient and the trade mark application has now been filed. A copy of the correspondence is attached. My client is pleased with the service and so am I."
